This **Panama Canal Cruise** combines a 16 day full transit of the Panama Canal with six exciting ports of call; and the personal service from Princess Cruises. Adventures abound including the wild beauty, rain forests and coffee estates of Costa Rica; the pristine waters, colonial cities and the beach resorts of Nicaragua and Mexico. Another highlight is historic Cartagena and its famed forts, cathedrals and emerald markets. Most impressive of all is the Panama Canal itself. **You'll enter the newly completed locks finished in 2016 for the mega cruise ships and other large vessels. Sail through history on the first major enhancement to the canal in over 100 years.** You'll enter at sea level from the Caribbean and then your ship is lifted 85 feet before entering the emerald-green expanse of Lake Gatun and then traversing the Gaillard Cut and then exiting the canal through two locks to the Pacific Ocean. And after traversing the canal from the Atlantic to Pacific you'll have a full day to explore vibrant Panama City, charming 'colonial Panama City', and countless other adventures within the country of Panama such as a jungle cruise, rainforest tram ride, visits to Indian villages, and much more. With the convenience of sailing from Ft. Lauderdale to Los Angeles, the adventure is complete.
